HYPNOTISM AND CLAIRVOYANCY are not given by any other People on Earth, and are only presented by PROFESSOR AND MRS. BALDWIN.

These questions are kententirely to themselves, and not mentioned to the performers in any way. The Clairvoyante while in the hypnotic-trance state correctly answers these secret queries, and then gives the question' itself, which, up to that time, is known only to the person desiring the reply. The Clairvoyante tells of past, present, and future events; deaths, murders, robberies, fires, weddings; of lost and stolen goods. She tells the residences of absent people, and i curate descriptions that all are hushed into dumb bewilderment. Prof. Baldwin has exhibited these Marrellous Experiments before Her Majesty the Queen, the Prince of Wales,

and the Royal Family. THE STARS OF THIS COMBINATION MISS KATE RUSSELL and her living pictures—the funniest act of the century. MISS ADA DELROY-a winning little beauty: instantly fascinates everyone. PORTUGUESE CLERKS. To the Editor of the ! CHINA MAIL! Hongkong, Jan. 19. Sin, -I beg you will allow me a short space in the columns of your journal for a rejoinder, which I am called upon to m ke in justice to the Portuguese clerks, to a gratuitous insinuation reflecting on the character of that much aggrieved acction of our community

Mr Taylor, in the course of the debate at yesterday's meeting of the Kowloon Land & Building Co., unceremoniously insinuated that any Portuguese clerk would Hongkong: Mr and Mrs J. Searing, Miss for reward or gain attach his signature to E. M. What Mr Taylor's reasons were for thus unnecessarily inveighing against a class of people honestly earning their daily bread in our midst I

fail to see. Whatever their merits or demerits, they are certainly not of that class of the most deprayed humanity, altogether devoid of any sense of honour, of decency or decorum, that Mr. Taylor tries to make one believe they are; nor are they so many mentals entirely aubservient

to the dollar. The Portuguese clerks do not certainly belong to the wealthiest class in Hongkong, but wealth is not synonymous with honesty. It is generally the poor man that is the honest man? In any case. FIAT JUSTITIA.
